Invitation to the Pandox Hotel Market Day 2020

Pandox will host its annual hotel market day 17 November 2020. The theme is “New trends in a changing hotel world”, which is explored with the help of prominent speakers and industry experts. The event will take place both in the digital and the physical world and will be webcasted live 13:00 – 15:30 CET.

Pandox introduced the Hotel Market Day already in 1996 with the aim to reflect upon and analyse important macro trends and to contribute added know how to the hotel industry. Since then, the day has developed into a dynamic meeting place for decision makers within the international hotel industry.
