Save the date - Pandox Hotel Market Day 2022

Pandox will host its annual Hotel Market Day 15 November 2022 at Hilton Stockholm Slussen. The theme is "the future of work" where we will discuss changes in work which put new demands on hotels both as products and working places.

The event will take place both physically and digitally and will be webcasted live with start from 13:00 CET.

Pandox introduced the Hotel Market Day in 1996 with the aim to reflect upon and analyse important macro trends and to contribute added know-how to the hotel industry. Since then, the day has developed into a dynamic meeting place for decision makers within the international hotel industry.

At www.pandox.se, information will be published on an ongoing basis about registration and the agenda for the day. Please note that the number of physical participants is limited.
