The member of the nomination committee that was appointed by the largest shareholder, in terms of votes, shall be appointed chairman of the nomination committee.

If one or more of the shareholders having appointed members of the nomination committee no longer are among the four largest shareholders, in terms of votes, and this occurs earlier than two months prior to the annual shareholders' meeting 2023, the members appointed by these

shareholders shall offer to resign and the shareholders who then are among the four largest shareholders may appoint their representatives. The board of directors proposes that the annual shareholders' meeting authorises the board to resolve – at one or several occasions and for the time period until the next annual shareholders' meeting – to increase the company's share capital by new share issues, to the extent that it corresponds to a dilution of not more than 10 percent of the number of shares outstanding at the time of the notice of the annual shareholders' meeting, after full exercise of the hereby proposed authorisation.

New share issues may be made with or without deviation from the shareholders' preferential rights and with or without provisions for contribution in kind, set-off or other conditions. Pursuant to Chapter 16 of the Swedish Companies Act, the board of directors may not by virtue of this authorisation resolve on issues to board members in group companies, employees, etc. The purpose of the authorisation is to increase the financial flexibility of the company and the acting scope of the board. Should the board of directors resolve on an issue with deviation from the shareholder's preferential rights, the reason shall be to secure financing capacity to current or future possible acquisitions of property companies, properties or hotel related businesses. Upon such deviation from the shareholders' preferential rights, the new issue shall be made at market terms and conditions.

The board of directors or the CEO shall have the right to make such minor adjustments in this resolution that may be necessary in connection with the registration of the authorisation with the Swedish Companies Registration Office.

The board of directors' proposal on authorisation for the board of directors to resolve on repurchase and transfer of own shares (item 16)

The board of directors proposes that the annual shareholders' meeting authorises the board to resolve – at one or several occasions and for the time period until the next annual shareholders' meeting – to repurchase and transfer own class B shares in accordance with the following:

1. Acquisition of own class B shares shall take place on Nasdaq Stockholm.
2. Shares may be acquired to the extent that the company's holding of its own class B shares, on any occasion, does not exceed ten (10) per cent of the company's total shares.
3. Acquisitions may only take place at a price within the price interval, on any occasion, recorded on Nasdaq Stockholm, which refers to the interval between the highest buying price and the lowest selling price.
4. The number of class B shares transferred may not exceed the company's holding of own class B shares at the time of the board of director's decision to transfer shares.
5. Transfer of class B shares may take place at Nasdaq Stockholm at a price within the price interval, on any occasion, recorded on Nasdaq Stockholm, which refers to the interval between the highest buying price and the lowest selling price.
6. Transfer of class B shares acquired in accordance with the above may also take place outside of Nasdaq Stockholm with or without deviation from shareholders' preferential rights. Transfer may take place against consideration in cash or against other assets than cash or through set-off by transfer against claims against the company.

The purpose of the proposed authorisation is to enable adapting the capital structure of the company to its capital needs from time to time and thereby contribute to an increased shareholder value, and to transfer own shares as payment, or in order to finance, real property investments and/or acquisitions of real property companies/businesses.

The board of directors or the CEO shall have the right to make such minor adjustments in this resolution that may be necessary in connection with the registration of the authorisation with the Swedish Companies Registration Office.

A resolution in accordance with the board's proposals under item 15 and 16 shall only be valid where supported by not less than two-thirds (2/3) of both the votes cast and the shares represented at the meeting.
